WORKSHOP DESCRIPTIONS

Finding Your Fit with Myers-Briggs (3 hours)

Choosing a job or changing careers is a major decision – one that requires careful thought, research and planning. The better you know yourself, the better your decision. This workshop will explore your personality preferences and how they can help you identify the best fit in a job or career. *(This workshop is offered in an “in-person” format only. Participants will need to complete an assessment “in-person” at NCWorks Career Center Asheville the week before the workshop.)*

Identifying Career Interests (2 hours)

Learn about a tool that can help you identify your career and job interests. Then, find out how to use the information in combination with local labor market information to find jobs and employment opportunities that are a match for your interests, skills, and knowledge.

Interviewing for Success (2 hours)

A resume may get you an interview, but it is the interview that will get you the job. Learn how to clearly communicate your strengths, skills and experiences so an employer will see that you are the best candidate for the job. Learn how employers use various types of questions to evaluate your future performance by looking at your past experiences, so you will be prepared for your interview.

Job Club (2 hours)

Let's Work Together for Your Job Success! You are invited to join the Job Club at NCWorks. Benefits include: Networking Opportunities & Employer Connections, Job Leads, Job Search Strategies, Myth Busting, Overcoming Challenges, Resources & More. Meetings are Fridays, starting at 9:30 am. Interested? Join us virtually or in-person.

Mastering Online Applications (2 hours)

Almost all companies are using online applications. This workshop provides tips for navigating the online application process successfully. In addition, you'll learn about Applicant Tracking Systems and the keywords that employers will use to evaluate your application and resume to determine whether to interview you.

Networking – The Most Effective Way to Get a Job (2 hours)

Have you heard the saying, “it isn't what you know, but who you know?” Networking is key to developing the connections that will help you stand out from other applicants. Learn how to network successfully to identify job leads and connect with employers, both in-person or through online methods.

Write a Winning Resume (2 hours)

A well written resume catches an employer's attention and demonstrates how your skills and abilities are a good match for their position. “An excellent resume has the power to open doors” (Careeronestop.org). In this workshop, you will learn about various resume formats and which one you should choose to stand out from other job seekers. You will also find out about Applicant Tracking Systems and how to use keywords effectively, along with other important communication tools you can use to stand out from the crowd. Receive a checklist that you can use to evaluate your own resume.
